84 1984 1984

Four years ago the Class of 1984 entered high school not knowing what lies ahead. They were oblivious of all the trials and tribulations of going through high school and preparing themselves for life once they graduated. As Freshmen, the Class of '84 had its first taste of high school life as they soon learned many of the social and academic rules. They learned to live through hard times as the Panorama Fire destroyed or damaged many homes of students. The next year, as Sophomores, many people joined clubs, organizations, and athletics. The Volleyball team won CIF and was moved from 2A to 3A. Many students participated in the first annual Renaissance Faire. As Juniors, the football, volleyball, softball, baseball, track, and girl's basketball teams went to CIF. Their junior prom was a great success despite the rain and the disc jockey. The Class of 1984 has shared anxieties, fears, hopes, failures, successes, and most importantly memories of the last four years. No matter what the future holds for each person, the memories of high school will remain with them forever. Senior Class Officers are: Steve Hill, Roger Dale, Michael Preszler, Lisa Reynolds, and Linda Olsen.

1984

1984. Is it 1984 already? In 1949 George Orwell wrote a book entitled 1984, in which he describes a totalitarian society of the future, based on trends he saw in his time. He said this planet would be one of slogans and conformity. Ever since then, people have counted the years until 1984 wondering just how true this prediction might turn out to be. Many of Orwell's predictions have come true, but most of them have not. The world, as we know it now, is one of computers, unmanned satellites orbiting the earth, and ever-changing ideals. Everything is searching for their own identities and values, and no longer is conformity required for someone to be accepted in society. We live in a society where there is democracy rather than one of Totalitarianism and communism

Some of the students on campus come from all over the world. They come from places such as Saudi Arabia, Viet Nam, Netherlands, Germany, and Austria. The styles of dress on Cajon's campus range from GQ and high fashion to Mod, to Punk, to the traditional Levi's, to Prep, to New Romantic. All of these show each person's different personalities.

People show their individuality through the types of cars they drive. In the Cajon parking lot there is everything from four wheel drives to sports cars and everything in between (even mom's car). The different types of music also show nonconformity and varying tastes. The music represents each student's personality.

1984 1984 1984

According to George Orwell, by 1984 there would be absolutely no reading, or learning, and especially no thinking. Today, however, everyone is encouraged to gain as much knowledge as possible. People are constantly striving to out-do the preceding generations for more information regarding everything from science to psychology to history to recreation. Now is the time for learning and discovering.

C.S.F. Strives For Academic Accomplishment

This club was designed for those students who had excellence in academics. Being in CSF was rewarding for those who entered the many colleges of the nation. Some of the activities were; Christmas caroling with Cajon Student Union, college visitation day, visitation of convalescent hospitals were done on a regular basis, and they went to Disneyland at the end of the year. The sponsor of this illustrious club was Mr. Howard Birdsill.

Fifty Years Of Excellence Proves True For N.H.S.

For well over fifty years the National Honor Society has worked to recognize the achievements of outstanding high school students and to bring these achievements to the attention of the community and colleges throughout the nation. Cajon's chapter of N.H.S. was reestablished this year and has a new sponsor Mr. William Krabill. Membership in this club is an honor bestowed on the basis of qualifications in several categories: academics, character, leadership, and service. This year the club has undertaken various service projects which included collecting of food donations for Thanksgiving and Christmas baskets and tutoring other students of Cajon.

Increase Of Kids Adds To Spirit

The increase of students this year at Cajon had its advantages and disadvantages. Many new friends were made and many old friendships were renewed. The crowded halls and classrooms were hard to get used to, but the additional student body added to the school's spirit. Besides going to classes and doing homework, students at Cajon participated in sports and organizations.

Activities, Assemblies Prove Cajon Has Spirit

As soon as the lunch bell rang, everyone went in many directions. Students attended club meetings, ate lunch, finished homework assignments, watched or participated in the class competitions, or just enjoyed their free time. Lunch, rallies, and assemblies were a time of camaraderie and school spirit on Cajon's campus.

Cajon Cowboys Dance To The Beat This Year

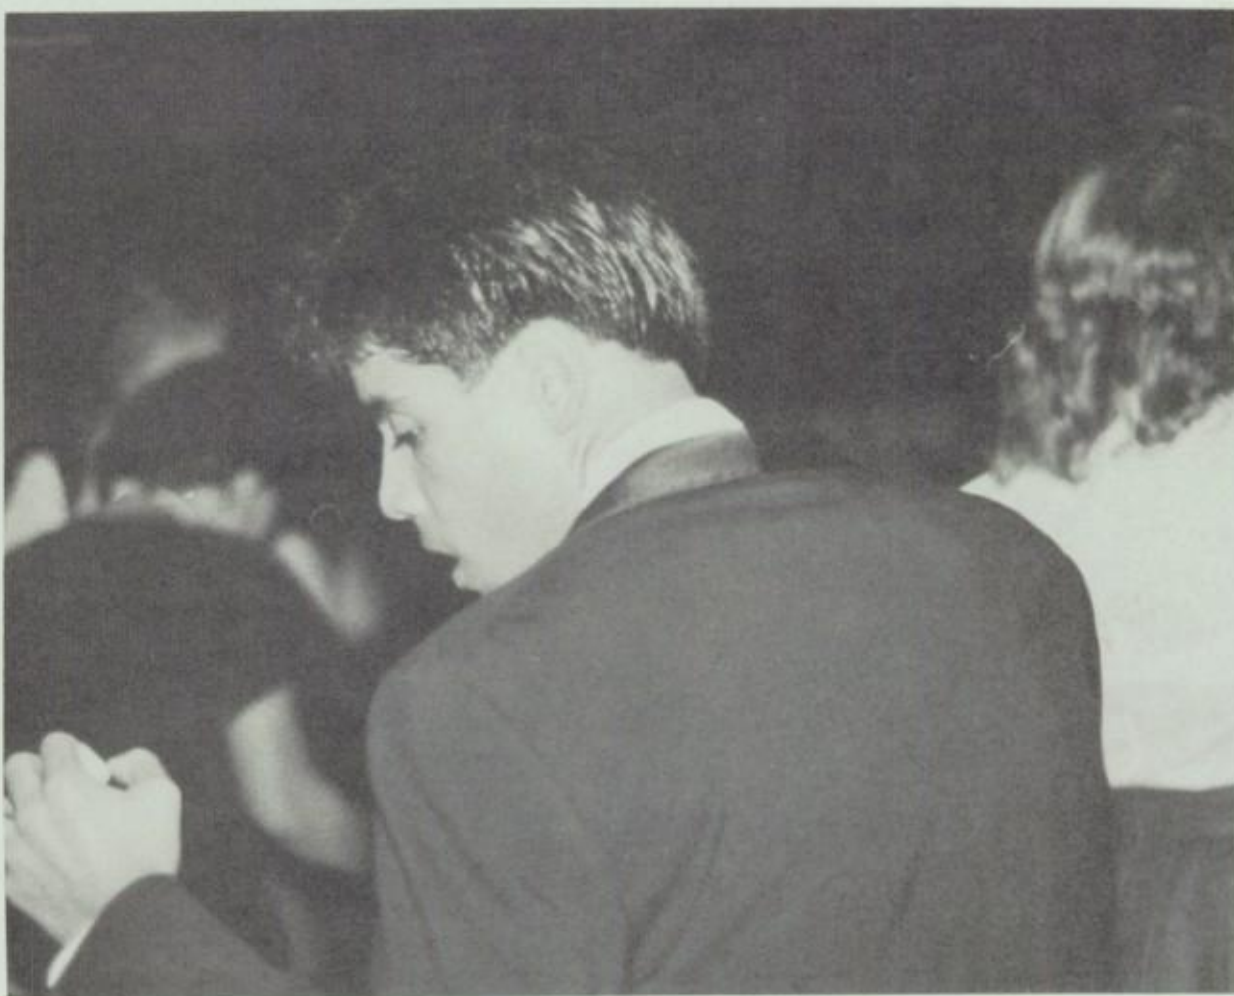

Some of the biggest highlights at Cajon High School were the dances. These included the Welcome Back Dance, Football Homecoming, Christmas Dance, Basketball Homecoming, Spring Dance, and the Laua. Ozz Productions, Lacey Kendall (from KCAL), and Jimmy Williams were the D.J.s at the dances. The cowboys also enjoyed dances held by other groups and organizations. Cajon dances promoted much unity and school spirit.

Raynette Duran Crowned Homecoming Queen

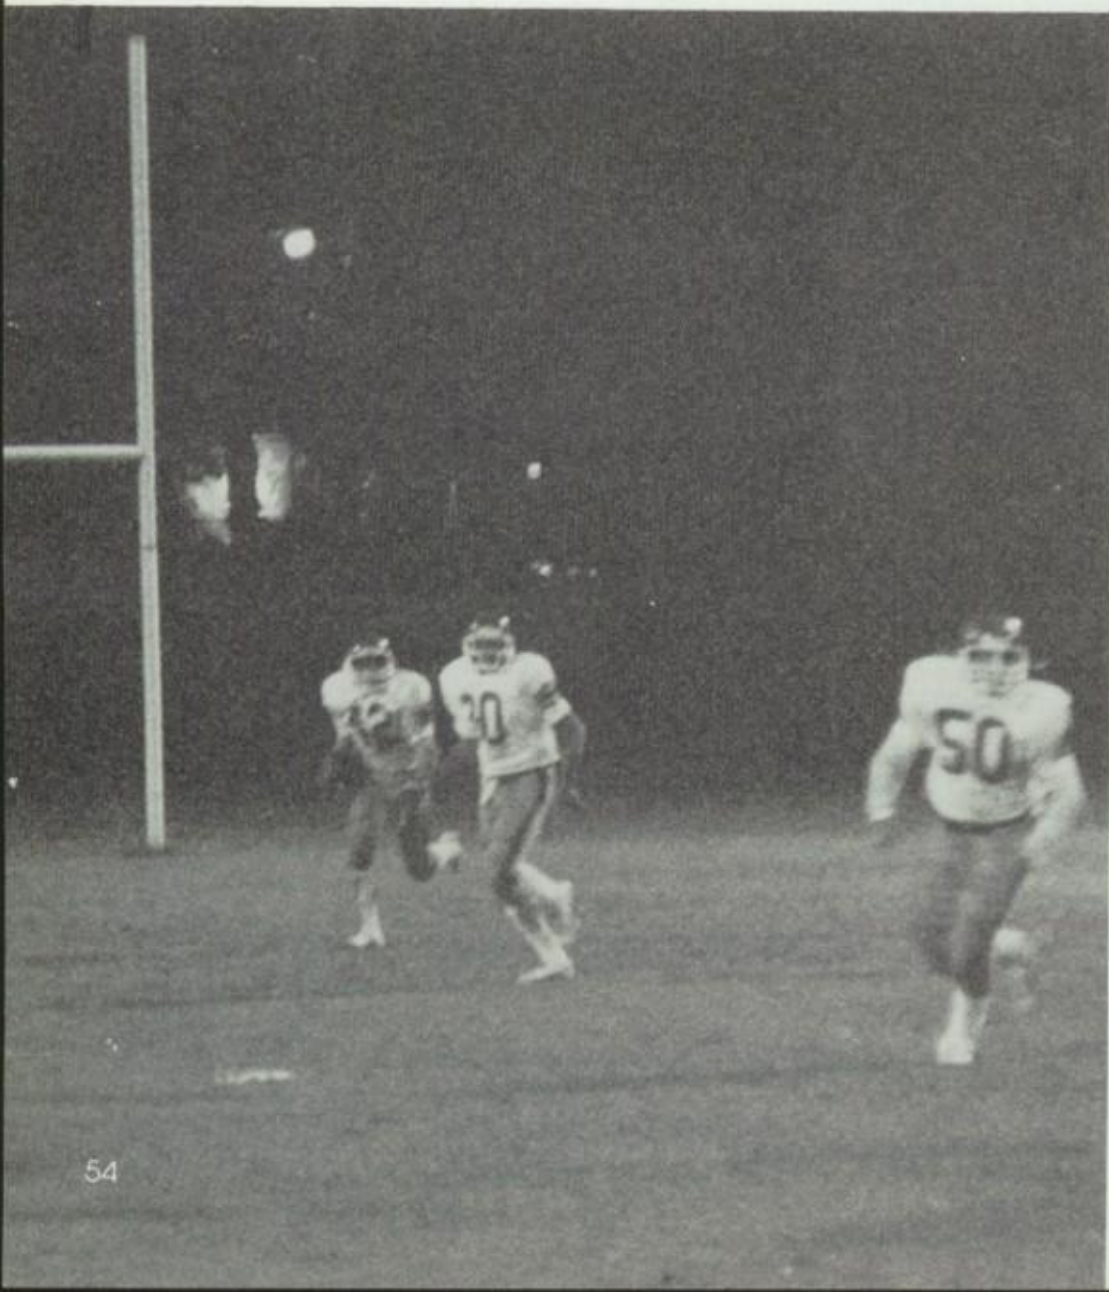

Friday Oct. 21, was a spectacular night for everyone. Halftime activities included the crowning of Raynette Duran by last year's 1982 Homecoming Queen Kim Lamb. Karen Brawley was named First Princess, Merrilee Hicks was crowned Second Princess, elected Junior Darling was Lori Smith, Tina Smith was crowned Sophomore Sweetheart and Mylia Arterberry was named Freshman Fancy.

The final score of the football game was 48-12 for another Cowboys' victory.

Topping off the evening was a dance in the cafeteria which was DJed by Jimmy Williams.

'New Beginnings' For 1984 Floats

This year's float theme was "New Beginnings" which offered all of the Cowboys a chance to welcome the Pirates to Cajon. The Sophomore float won the competition. They put a lot of hard work and long hours into their float, which was a football field with a cowboy boot, a large horseshoe wishing everybody good luck with new beginnings, and a PHS and CHS joined together as one. Coming in second was the Junior class and lastly the Freshmen. Unfortunately, the senior class float was disqualified because they didn't get it to the staging area in time. It was evident to all that each class worked hard to create a fantastic float.

Sean Bryant Reigns As 1983-84 Queen

The night was filled with suspense and awe as the former Homecoming Queen, Debbie Passmore, crowned Sean Bryant queen at the 1984 Basketball Homecoming. Passmore also crowned DiAnna Burnett as first princess, and Sherri Riddle as second princess.

The game was against Apple Valley Sun Devils and they proved to be worthy opponents. The Cowboys triumphed with a score of 71-55. At the conclusion of the game, a dance was held in the cafeteria in honor of the Basketball Homecoming Court.

Thrill Of Victory, Agony Of Defeat; Cajon Students Experience It All

To many students at Cajon, the best part of school is athletics. They thrive on the thought of competing against other students and schools. They give up much of their free time for sports, for practices, and games. The athletes spend many hours trying to perfect their skills. Some, unfortunately, had their athletic activities come to an abrupt halt due to injuries. But through the injuries, sweat, and pain, the students reached their goals as many of Cajon's teams went to CIF.

"Memories Are Forever" Theme For 1984 Prom

With the theme of "Memories are Forever," the 1984 Junior-Senior Prom was a total success. In the elegance of the Red Lion Inn's ballroom, the students danced to the various types of music, which was provided by the band, New Toys. All the prom-goers had a great time that will prove that "Memories are Forever."

Year Highlighted By Cajon Student Council's Dances And Pep Rallies

Pep rallies, dances, and assemblies were some of the many activities that Cajon's student council organized this year under the supervision of Dr. Michael Davitt. Fund raisers were held to help meet the school's budget. Among them were candy sales and a rummage sale. Making posters supporting the various clubs and teams promoted school spirit as did class competitions. Some of the class competitions were a pie eating contest, a balloon race, a lifesaver pass, and of course the old stand-by, "We've got spirit!!!"

Travelers Go Around The World

One of Cajon's latest additions to the list of clubs was the Traveler's Club. The club's main purpose was to give a chance for its members and their families to visit interesting places within the different areas of California. Some of the trips were to CBS and NBC studios to see some of the popular game shows and sit coms such as "Mama's Family", "Gimme a Break", and "Match Game/Hollywood Squares Hour". The club also saw such Broadway hits such as "The Wiz", "42nd Street", and "Sugar Babies" with Mickey Rooney and Ann Miller. One of the year end trips was to Universal Studios Tour where the club took an in-depth tour of the studios. The reason for these great trips was because of its sponsor Miss Georgia Stathis.

Memories Recorded By 1983-84 Vaquero Staff

The 1984 Vaquero staff put together this year's annual, putting in many long hours after school and practically living in Room F-1 when deadlines approached. All those extra hours paid off, though, because the finished product, the yearbook, looked great. With only three returning staff members, the actual production started slowly because the new members had to learn of the techniques and rules of making a yearbook. The three returning staff members were Mike Preszler, who was the Photography Editor, John Budicin, the Assistant Editor, and Anne Braithwaite, the Editor-in-Chief. The advisor, Ms. Sheila Popilsky, helped in many areas, though this was her first year as advisor. Editor Anne Braithwaite quoted, "We had so many problems to face, but we met them head-on and overcame them. Just take a look for yourself and see what the yearbook staff produced."

The participation in sports plays a major role in high school life. From baseball to volleyball, people are interested in being a part of the unity that is displayed in sports. For some, athletics provides a chance to be with friends and to stay in shape. To others, the excitement of competition leads them to participation. Most athletes, however, take an active part because of a love for the sport. These athletes dedicate themselves to their particular sport for four months of the year to learn, train, sweat, and compete. Many sacrifices are made, but true athletes never worry about their sacrifices as long as they can make the touchdown, spike the volleyball, slam dunk, pin the opponent, kick a goal, swim fast, run the fastest, or hit a homerun.

Experience, Power, And Talent Lead To San Andreas League Championship Title

The 1983 football season will be remembered as the best season in the history of Cajon. The team finished first in league and captured the San Andreas League championship with a league record of 5-0. "The team was the best overall team we ever had, the most skilled and talented, here at Cajon," said Coach Chuck Pettersen. With 17 returning players, the team had experience and great power. Top running back, Michael Moore rushed over 1500 yards and quarterback Jim Bees passed over 1400 yards. The skill of the other players, such as Larry Lukes, Rueben Jackson, Peter Macon, and Jim Morris, were very important to the team's success. They used their talents to accomplish key plays in tight situations. Eight players made first team All-league and three made second team All-league. This year's team was one of which to be proud.

SAL Title For JV Football Team

This year's Junior Varsity football team was very powerful. "Our team worked as a team and that is why we were SAL champs," said Scot Neudorff. J.V. was undefeated in league and were 8-2 overall. "The reason for our outstanding record is because we played four quarters of hard football," said Steven Neudorff. The big game for the SAL championship was against Yucaipa, which our Cowboys easily won 44-13.

Cowgirls Break CIF Consecutive League Wins Record; Take Firsts In Two Tournaments

This year, Cajon's varsity volleyball team tied and broke the CIF record for consecutive league wins. The previous record was at 111 games, and on October 6, Cajon defeated Barstow for its 112th consecutive league win. The team ended their season with total league wins at 120 games. The Cowgirls' league record was 15-0, and they posted an overall record of 28-1.

Once again the Cowgirls, who were ranked number one in the 3A CIF polls, went to the play-offs. They reached the finals, but were defeated.

The varsity team participated in two prestigious tournaments- the Desert Classic, which is held at Valley College, and the South Pasadena tournament hosted by South Pasadena High School. The cowgirls took first place trophies home from both tournaments. Sheryl Benson was named MVP for both tournaments, and Merrilee Hicks made the All-Tournament teams at both also. In the semi-finals at the Desert Classic Tournament, Cajon defeated Rim of the World High School in a long-awaited match.

Five team members made the All-San Andreas League team. They were Sheryl Benson, Merrilee Hicks, Leanne Cropsey, Karen Brawley, and Regina Davis. Yvette Palmore received Honorable Mention. Benson was named the League MVP. She was also the team's Captain and was voted team MVP. The Cowgirl Award went to Karen Brawley. Coach Naomi Ruderman stated, "It's been a year to remember!" The team managers were Anne Braithwaite, Lisa Potter, and Janelle Thompson.

JV Earns League Title- Hustle Made It Happen

The junior varsity volleyball team was awesome this year. The teamwork and enthusiasm displayed by them led to their undefeated season. With a league record of 15-0, they took the league title for the sixth consecutive year. Although they won their matches, several times during the year it looked as if they would be defeated, but they pulled themselves together and ousted their opponent of a win. Trisha Brinkerhoff served as a Captain for the beginning of the season, but was moved up to the varsity squad. Janet Bougie was elected as Captain for the remainder of the year. The MVP's were Chris Riley and Angie Henke. The returning players were Riley, Lisa Sachs, Shelly Bond, Rhoda Martin, and Janet Bougie.

Coach Mark Sterling stated, "If you looked at the team at the end of the season and tried to compare it with their performance early in the season, you would have been amazed. There was such a vast improvement, it was as though you were looking at two separate teams. The girls worked very hard in between and earned the league title. They are a great group of girls!" The assistant coach was Loree Childers, a former Cajon volleyballer.

Cross Country Have A Spirited Season

The boys' cross country team had an exceptional year with a record of six wins and two loses. Headed by Coach Zietlow, the team won the Arlington Cross Country meet for the first time. This team also supported teammate Gilbert Abrego to a new three mile cross country record of 16 minutes, 13 seconds. The captain of the team was Steve Hill. Abrego was named MVP of the year.

The girls' cross country team had a record of three wins and five loses. It was a new team with a new coach. The girls as a team were very positive and participated in Arlington, Yucipa, and Perris relays. The coach was Rachel Raymer. The captain was Staci Harbauer. MVP was Melani Barns.

Girls' Tennis Shows Promise For Future

I felt the team played with a lot of enthusiasm and drive. It was a season of a few exciting victories and a great learning experience for all new team members.

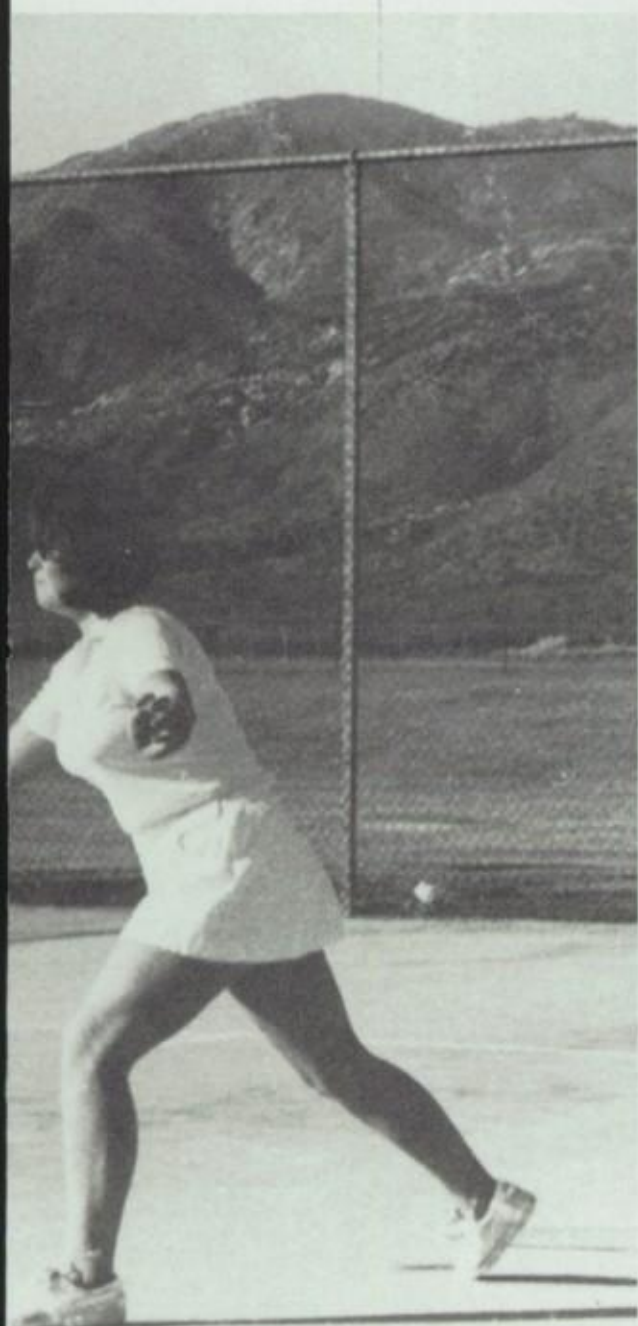

Outstanding seniors were Khanh-Linh Nguyen, Whitney Critchley, and Carol Estes. Captain was Khanh-Linh Nguyen and most valuable players were Carol Estes and Lisa Tran. We have good talent returning. Kira Khokhlov, Lisa Tran, Dawn Keating, Jeanette Merrill, Gina Catalano, and Marianne Mettica will be the basis of the 1984 team. Our JV's had a successful season in posting quite a number of wins.

The SAL team was very competitive with Yuciapa, Victor Valley and Barstow, all jockeying for top positions. All top teams will lose valuable players plus Yuciapa will be leaving the SAL league in the 1984 season. With our letter people and good, ambitious JV's, Cajon should fair fairly well in 1984. Hard Work Payed Off For A Young Team

The boy's varsity basketball team had a great season. The players worked hard and put in long hours to make this the best team Cajon has had in the last decade, as was reflected by the scores. The players played to win. They were positive and aggressive in their games. They worked well as a team.

"We had the youngest team in the league, but I still expected us to do well, even though we were in the strongest league in the area," stated Coach Mark Lehman. The team was led by captains Reggie Smith, Carl Christion, and Darren Smith. They provided the team with strong leadership and inspired the other team members with their winning attitude.

Junior Varsity Team Jumps Into Action

This year's boy's JV basketball team was under the guidance and leadership of Coach Robert Carter. Carter was a new edition to the Cajon staff. This is only Carter's second year coaching boy's basketball, but he felt the team did an outstanding job. Carter felt there are more athletes at Cajon and they are better physically skilled. "I'm very satisfied with each player's development as future varsity players," stated Carter.

Girls Break SBHS 38 Game Winning Streak

The girl's varsity basketball team this year was a very good team. They had height and speed. They played a spirited and hard game and always strove to do their best and win.

They played and practiced with a very positive attitude. They beat San Bernardino High School, who had not been beat in thirty-eight league games.

Their coach felt that they had three possible college prospects. They were Karen Brawley, Yvette Palmore, and Sandy Ballinger. The captain, Brawley, headed the team with the leadership it took to make a team win.

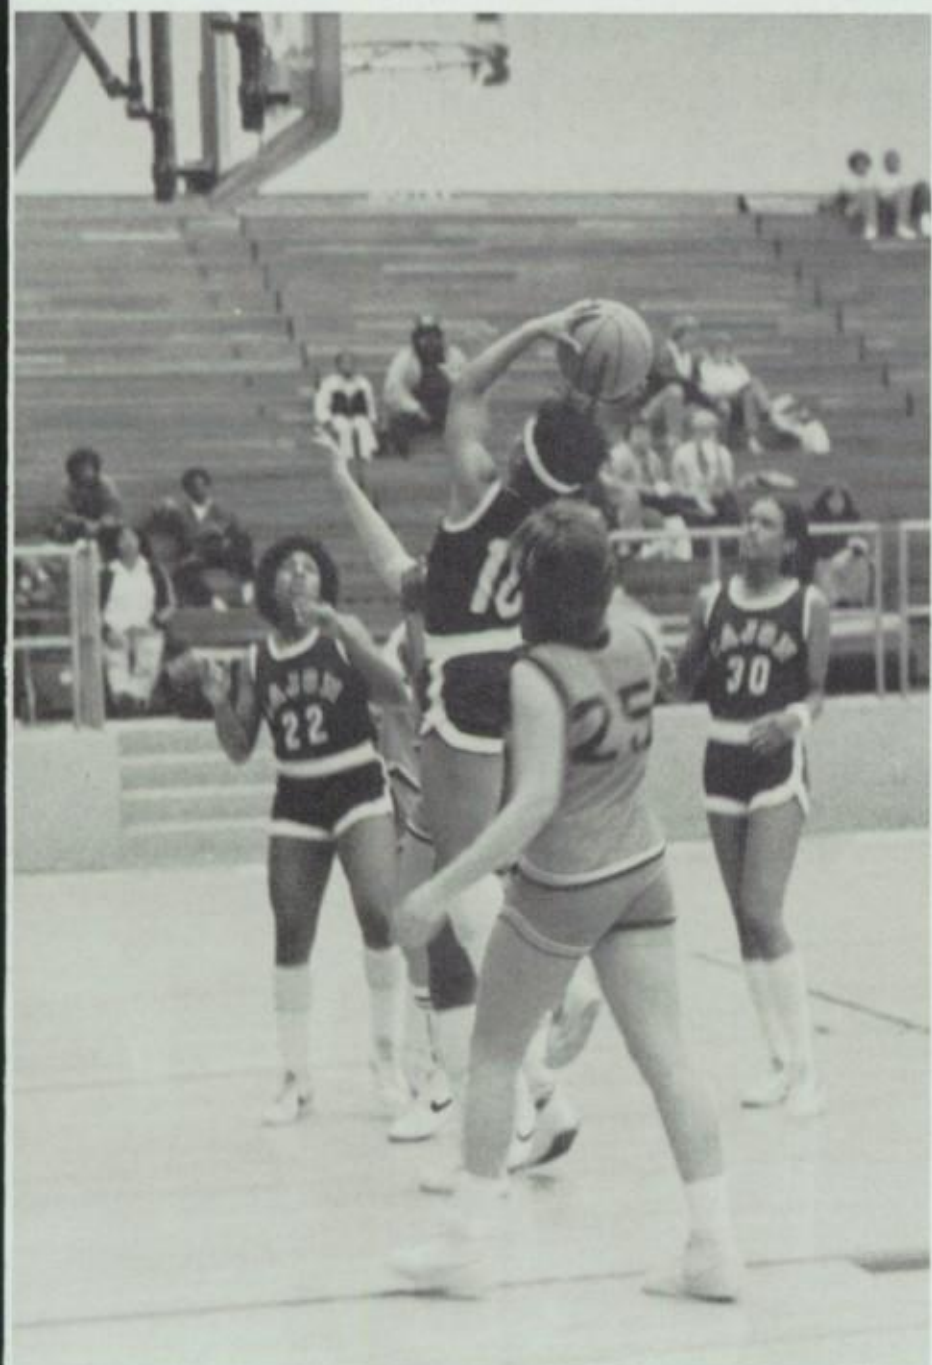

"We were very spirited, in a quiet way. We played hard to win," stated Coach Jerry Duffy.

Experience Provided For Team

The girl's junior varsity basketball team this year was enthusiastic and young. They had a mental toughness that motivated them to come to practice and work hard.

They did a great amount of work on leadership. They had a different captain every game to help them in this respect.

They learned to work together as a team. "While some players stood out," said coach Rachel Raymer, "they needed the support of the team to do what they did."

Of the seven tournaments entered, the team took first at four with with impressive finishes in the others of second, fourth and sixth. At the Bonita Tournament, the team set a tournament record high of 192.5 points. Senior Jesse Singh led the team as captain and with an excellent record of 36-1.

J.V. Wrestling Has Undefeated Season

With great guidance and strong leadership, the junior varsity wrestling team with captain Arthur Gray was able to have an undefeated season. They worked together and proved to be a formidable opponent. By going undefeated not only in league, but in all meets, the wrestlers showed great potential for next year's varsity team.

Heading For SAL Championship

Cajon's 1983-84 varsity soccer team was the "surprise" of the prep soccer world in Inland Southern California. With a 3 - 15 record in 82-83, the preseason polls had the Cowboys slotted for last place in the San Andreas League. After a sluggish start, the team "caught fire" in the Rubidoux Christmas tournament at UCR and played their way to the consolation final. At the turn of the new year, that fire intensified and they remained undefeated in both league and non-league play.

Cajon's forward line was the league's most prolific, scoring over 50 goals in the season. Led by all-league candidates Scott Lindsey and Luis Garcia and wingers Vince Wolfs and Ketan Upadhyay, they consistently penetrated the defense of Cajon's opponents.

With the strong, aggressive play of all-league candidate mid-fielder Jim Morris and halfbacks Cary Rosenfeld and David Carroll, the Cowboys controlled the vital mid-field in almost every contest. Cajon's defensive lineup was the toughest in the league. Captained by all-league candidate goalie Tom Van Wagoner and foundationed on the strong legs and smart play of fullbacks Ricky Patterson, Chris Mahoney, Eric Durr, and Robbie Rosenwald and sweeper Joey Gsoell, they registered seven shutouts and allowed the fewest goals in the SAL. The strong support of reservists Mark Cosby and Todd Etzel kept the team energized season long.

Cajon Track Team Races To The Finish

The Cajon Boy's track team had a season full of enthusiasm. With a season including 13 meets, the track team lived up to its potential. Many team members from last year returned this year to help make the team what it was. Members such as Gilbert Abrego, Russel Quayle, and Steve Hill, and with the coaching of Herman Zietlow, proved themselves well, along with the girl's track team, who, although small, was a formidable opponent.

Boy's Tennis Sets Season

The Boy's Tennis team started on a new leg this year with a new coach. The Coach Jim McKay was new to Cajon but not to the game of tennis. He was the tennis coach at Pacific in 1983. He was met with returning players Mark Emery, Scott Stewart, and Michael Preszler, also newcomers Scott Orrock, and Vince Wolfs. One player was heard as saying, "The season arrived so quickly, that it caught us off guard, but we will be strong enough to handle it."

Varsity Softball Yields No Pride

This year's varsity softball team had the experience of old pros. Though the team had a lot of returning letterman, there were a few young players in the spotlight. With the level of enthusiasm very high, they had a season of which to be proud. Coach Ruderman, who has lead the team for the past years, said, "The team was one to be respected on the field."

Softball Fever Catch It!

Being a new coach can be hard to handle, but Coach Lehman took control the minute he got on the field. The junior varsity softball team was made up of a lot of really talented newcomers. The girls were a very excited and enthusiastic team. 1984's junior varsity softball team was the strongest team at Cajon in a long time. The team went out on the field with a good attitude and did a very good job. They were competitive in the league and the girls contributed a lot of young excitement.

Varsity Baseball Returns With Strong Defense

This year's team was very enthusiastic about its chances for doing well in league play. Led by seniors, Jim Bees and Jerry Dufour, the veteran team returned with a strong defense. The team also had one new player from Pacific, outfielder Ron Trujillo. Coach Escobar and Assistant Coach Pete Ornalles were pleased with the hardwork and determination of the players.

J.V. Baseball Shows Promise

One of the spring sports that did well was junior varsity baseball. Although the team had some weaknesses it did have some greater points like its pitching staff. "J.V. did well again this year since they got a taste of winning for the first time last year," said Coach Escobar. Also Coach Escobar said, that about six members will advance to varsity and there hasn't really been any changes in the team since last year. The J.V. baseball program is really tough from year to year. The team also had surplus amount of spirit. Although it was a young team they met their potential. The J.V. team did their best to make it a great year.

Big Brother. Big Brother was, in 1984, the rulers of Orwell's ultimate government. It dictated every thought, word, and action of every person in society. At Cajon, the teachers and administrators strive to be our friends as well as being our advisors and teachers. They help us in the classroom and out by spending extra time helping us on classroom assignments and listening and advising us on the personal matters. The teachers at Cajon are here because they want to help us learn and achieve, not because our government demands it from them.

84 1984 1984

The Class of 1986 has proved once again that they are very spirited. Many Sophomores participated in sports, clubs, and organizations. Their main objective was to start raising money for their prom and to overall lift class and school spirit. This class was led by officers Julie Hamre, Lisa Braswell, Holly Breaux, and Konnie Grasso.

1984 1984 1984

The Freshmen Class at CHS had many new experiences this year. They have learned to become more dependent on themselves and have gained some knowledge that will last a lifetime. They have also learned to adapt to different situations. To help the process of adaptation and becoming independent, the officers, Brian Axe, Kari Finazzo, Josh Doty and Carla Eckhart, have led the Class of '87 to becoming an experienced class.

The world today is surviving despite the predictions of George Orwell. Cajon as a whole, students and faculty, prove through their diversity and caring closeness that Humanitas will survive. The influx of new and diverse students; students like Preppies, Mods, New Wavers, Ska Babies, and Hard Rockers have all come together with the common goal of being individuals with their own ideas, desires, and perceptions showing the community that 1984 has not and will not come to pass.
